LEE COLLEGE

WEEKEND WARRIOR

Transfer in Allied Health
Associates in Arts

Time Commitment

For the Transfer in Allied Health Degree, students will attend class on Friday evenings from 6pm-9pm and Saturday from 8am - 4pm (with a lunch break). Most classes are 2-4 hours long. This degree plan is made up of five semesters. The degree plan is made up of 5 semester or twenty months of study. You start in January of the Spring semester. Take classes in Summer semester, Fall semester and the next Spring. After finishing the second Summer semester class, you'll be done with your degree plan. In twenty months, you will have your Associates Degree.

Cost

The Transfer in Allied Health is 60 credits in total. For an in-district student, the approximate cost for the entire degree from start to finish is about \$5000. Lee College has several avenues to assist students with tuition, books and fees. With the support of the College Completion Coach, you can apply for federal financial aid, grants and scholarships.

Career Future

An Associates Degree in Allied Health can get your foot in the door to work at hospitals, clinics and doctor's offices. You gain hands on experience and specific knowledge essential to your university transfer. This degree will prepare you for many great professions, including but not limited to Nursing, Dental Hygienist, Medical Assistant, Phlebotomist, and Occupational Therapist. An Associates Degree: Transfer in Allied Health is not merely a stepping-stone, it launches you into a fulfilling career that will serve you for a lifetime.
